NEWS OF THE DAY

Detroit will be the meeting place of the 1919 triennial convention of the Protestant Episcopal Church, if the house of deputies of the convention, in session in St. Louis, concurs with the house of bishops in its selection, made yesterday. The house of bishops submitted to the lower house for approval the re-election of Bishop Arthur Seldon Lloyd, of New York, as president of the board of missions and of George Gordon King, of Newport, R. I., as treasurer. The convention approved a plan of pensions for the clergy. Each parish is taxed for the pension fund. The plan, as adopted, provides for clergymen who have reached the age of 68, a minimum pension of \$600 and a maximum of \$2,000.

The body of Mary A. Robinson, 60 years old, 3344 Volta place northwest, Washington, missing from home since Wednesday, was found floating yesterday in the Potomac River.

"It's late for fireflies," said Col. John Frengougis, of the royal Greek army, as he emerged from the home of a friend at Rosebank, S. I., in the early morning darkness yesterday. And putting out his foot he touched the flicker of light before him on the ground. The flicker came from the tip of an electric wire broken by the storm. Seventeen hundred volts shot through the man killing him instantly. The Colonel was in America on a special mission for King Constantine.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theodor's Black-Draught.

McDuff, Va.—"I suffered for seven years," says Mrs. J. B. Whitaker, "in this place, with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theodor's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family. Since we commenced using Black-Draught.

Theodor's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

made plain at a meeting of the independent committee for German peace terms last Saturday when through a personal representative he requested the committee to abstain from agitation for a sharper submarine campaign.

That the Kaiser is determined to stand by Chancellor von Bethmann-Hollweg is shown by an incident revealed yesterday. A petition asking the retirement of the chancellor was sent to the Kaiser, but he refused to receive it. Later the Kaiser refused to receive the signatories.

Will Turner, convicted of killing F. C. Avery last fall, was hanged yesterday in Gainesville, Fla. Turner was arrested in Washington, D. C., where he was trying to dispose of Avery's horses. Later Avery's body was found buried under a barn.

First an automobile, and then a bungalow, were used as "lures" in the alleged alienation of the affections of the Rev. J. Milo Robinson by Mrs. Inez I. Patterson, a wealthy widow, of Freehold, N. J., according to the clergyman's wife, Mrs. Loeta A. Robinson, who yesterday resumed her testimony in her \$5,000 suit against her rival. Mrs. Robinson swore the widow began by offering her machine to the clergyman and later, when she went South, turned over her bungalow to the Robinsons. She testified she repeatedly found her husband and Mrs. Patterson in compromising situations. The Rev. Mr. Robinson, who was formerly pastor of the Asbury Park Congregational Church, has not been seen since August of last year.

Germany intends to keep up her submarine activities off the United States coast, according to a dispatch from Amsterdam. The telegram quotes the Voies Zeitung, of Cologne, as saying: "German submarines will operate in the future in the western Atlantic. They will visit the well-known shipping routes around the eastern point of Nantucket Island and will sink British merchantmen after giving the crews opportunity to save themselves."

Because he has been at various times of a vivid career a barkeeper, actor, salesman and lecturer, the Baptist ministerial association of Brooklyn and Long Island has demanded the resignation of the Rev. George K. McDonald as pastor of the Union Baptist Church in Green Point. Rev. McDonald, who is 50 years old, was ousted from his first pastorate, in Kalamazoo, Mich., as a result, it was declared, of some of his communicants happening in on the remains of a wine supper in the pastor's study. A pretty member of the choir had been the guest.

Roumanian troops are pushing back the invading Austro-German forces on the Transylvanian frontier. At Pradel the Roumanians drove back Teuton units beyond the border. The Roumanians also claim to have gained ground in the Boran defile. In the Tortus valley, the Roumanians forced the Austro-Germans to retire and took 600 prisoners and twelve cannons.

Field Marshal Alexander, H. R.

von Kluck, who commanded the right wing of the German army in its sweep toward Paris in the fall of 1914, has been placed on the retired list at his own request. He had never returned to the front since he was wounded by shrapnel fire in March, 1915, while inspecting advanced positions. The field marshal was 70 years of age last May.

Closing in on Peronne from the south, the French troops of Gen. Foch have maintained for twenty-four hours a series of attacks, all of which have resulted in steady progress. The main blows are being delivered on the Biauches-La Mazonette front, a sector of about a mile and a half. So far more than 250 prisoners have been taken.

North-western train, No. 111, Milwaukee to Ashland, jumped the rails near Milwaukee early yesterday and plunged into the ditch, killing Engineer Fitzgerald and Fireman Pechain. Steel coaches saved passengers from serious injury. Northwestern officials claimed that they have evidence the train was deliberately wrecked. They declared it was the fifth attempt in the last four years to wreck this train.

After desperate fighting the Serbians have captured the village of rod, in Macedonia, the heights to the north of that place and the village of Veles-Selo and are pursuing the Bulgars northward. On the remainder of that front there also is heavy fighting in favor of the Serbs, who have captured since September 14, 43 guns, not including trench guns. By the capture of Brod and Veles-Selo the Serbians have pierced the Bulgarian second line and now are confronted by the third and final line on the western slopes of Morava range, which brings them appreciably nearer to Monastir.

To All Democrats:

The undersigned were appointed by the National Democratic Committee as Auxiliary Finance Committee, for the City of Alexandria, and have received an urgent request that we call upon all Democrats to help the cause. Alexandria Democrats have thus far done nothing.

We, therefore, call upon every democrat in Alexandria and surrounding country to send us such contribution as he or she can, whether large or small.

Send something, if only a few cents, and show your interest. We will thankfully receive any aid whether \$100 or 10 cents.

Remember that this is a big country and that there are many close and doubtful states; and the National Committee must have large means to carry on a successful fight.

The Republicans have large interests that contribute to their overflowing treasury.

The Democrats must depend upon voluntary offerings, and mainly upon a great number of small ones, to make up their necessitous treasury. Send your contribution to any member of the Committee, and, whether it be large or small, please send at once.

It is greatly needed.

This is a call to women as well as men.

Respectfully,
